## About Technocrat Intext Solutions

Technocrat Intext Solutions was incorporated in the year 2015 in Chennai, Tamil Nadu. In a short period, we have become the recognized manufacturer, supplier and exporter of amazing products which includes FRP products, Acrylic products, air pollution control equipment and an amazing range of services. We have experts and professionals in our company who are immensely experienced and make sure that all our products are of good quality.

We are a group of enthusiastic and young individuals who have come together with a single goal to the global leader in this sector. We believe that India is known for its quality products and exporting these products to different parts of the world is the key to the growth of the country. We have analysts and researchers who possess expertise in this field and update the database that helps us provide customers with what they demand.

### Our Mission

We want to serve our customers with the best products that are of amazing quality and meets their needs.

### Our Vision

We want to be recognized all around the world for our products and services.

### Values

When it comes to the products and services we offer to our customers there must be no quality compromise. This is why we strive to offer our customers with best quality products and services and ensure that they get beyond their expectations.
