About Trans Asia Traders

Trans Asia Traders is an export-focused enterprise dedicated to bringing the finest of Kashmir to international markets. With core operations spanning Kashmiri foods, dried fruits, spices, saffron, and handcrafted shawls, the company delivers premium-quality products rooted in tradition and purity.

Product Range

- Dried Fruits:** Sourced from the orchards of Kashmir valley—apricots, almonds, walnuts—hygienically processed and packaged for quality preservation.
- Kashmiri Spices & Saffron:** Aromatic spices including Kashmiri chili powder, saffron strands, and seed varieties—all farm-fresh and GI-certified.
- Pashmina & Woolen Shawls:** Luxuriously handwoven Pashmina shawls, artisanal Woolen shawls, often with Sozni embroidery, tracing centuries-old craftsmanship using premium-grade Changthangi goat fibre.
- Quality & Craftsmanship** Authenticity assured via Geographical Indication (GI) certification for Pashmina and saffron.
- Artisanal weaving & Sozni embroidery**, crafted by generations of Kashmiri artisans. Strict hygiene protocols in food processing and packaging, with quality controls from farm to export shipment.
- Business Capability**
- Wholesale & B2B focus:** serving overseas distributors, gourmet retailers, ethnic food chains, and gift-ware curators.
- Shipping:** Regular international exports with options like air-freight and cold-chain logistics, packaged for freshness and protection.
- Vision & Mission**
- Vision:** To establish Kashmir as a global hallmark of premium quality exports in food and textiles.
- Mission:** To empower local producers—farmers and artisans—by connecting their refined offerings to global markets while maintaining the highest standards of authenticity and sustainability.
