About Trasy Enterprises

Trasy Enterprises for Hot Melt Machines is a well-established name in the market of Mumbai that is engaged in the trade of a wide range of machines & equipment especially for the paper, film & foil converting industry. We manufacture, export, and supply various machines such as hot melt coating machine, carton box sealing machine, label machine, pouch making machine, tape slitting machine, tape printing machine, and many more. The machines that we make available are designed in keeping with the customers needs and with stress put on the quality of workmanship. These machines are largely appreciated for their reliable performance, superb quality, high efficiency, and long service life. With the support of a team of dexterous and diligent professionals, we are always committed to manufacture the most efficient machines to satisfy our customers and provide them with ease of operation.

Trasy Enterprises for Hot Melt Machines was incorporated in a humble manner in 1969, by the proprietor Mr. D. P. Trasy. He had wide experience in the field of machine manufacturing. The company is situated in Mumbai (Maharashtra, India)

Major Markets

The wide variety of machines that we make available is widely purchased by many clients all over India. In addition to this, we also export our machines to various countries such as Columbia, Nicosia, Israel, Nigeria, Kenya, Colombia, Canada, Germany, Indonesia, China, Tanzania, Saudi Arabia, Dubai, Sharjah, Sri Lanka, Cairo, Nepal, and Iran.

Our Infrastructural Facility

A 10000 sq. ft. infrastructural facility is all we have maintained in Mumbai for us. This facility is outfitted with modern-day machines of different specifications. We have also installed various precision machine tools as well. In addition to this, we also have in-house customized production facility, testing facility and R&D facility as well.
