

We are leading name engaged as Manufacturer, Exporter, Supplier, Retailer, Trader, Distributor, Importer and Service Provider of wide range of Field Instruments and SCADA, Flow Meters, Intrinsic Safety, IOT Products and Network Gateway etc...

Full Bore
Electromagnetic
Flowmeter

Instrumentation Process
Transmitter SPD

Hazardous area
intrinsically safe signal
isolator

Ex Zone operator console

RS485 Modbus IoT
Gateway CGWA
compliant

Industrial cellular router

About Tronsoft Technologies

Tronsoft Technologies is our clients trusted partner and consultant in automation products sourcing and IoT solutions. With a team and a partner ecosystem of highly experienced technocrats, Tronsoft has been adding significant value to its clients businesses since its inception in 2017. Tronsoft has two verticals- Automation & Instrumentation products and solutions and Internet of Things solutions. Tronsoft helps you get access to the right technology in the most cost-effective way. Tronsoft, being a supplier of products like electromagnetic flow meters, IoT modbus gateways, intrinsically safety isolators & Zener barriers and surge protection devices has played a crucial role in its customers' success journey. With a wide range of products from Forbes Marshall, Krohne marshall, MTL-Eaton, Mitsubishi, Siemens, etc, we keep on upgrading our product line to serve our customers better. Tronsoft has played a crucial role in many end-to-end Internet of things projects. Why Choose Us? Our committed and experienced team has the requisite domain knowledge and niche skills not just to meet, but exceed our customer expectations. We take great efforts to constantly improve our knowledge base and technical competencies to provide appropriate solutions to our customers. We ensure to reduce the Total Cost of Ownership to our customers along with offering the seamless experience of technology. With our end-to-end solution expertise in customized IoT applications, sound knowledge of intrinsic safety, and other essential instrumentation and electrical concepts, our customers have been relying on us for various needs of Zone 1/21 operator panels, hazardous area- intrinsic safety products, customized IoT solutions and more. We dont just restrict ourselves to the supply of products/deployment of solutions, we partner with our clients and handhold them during the pre and post-ordering stag.

Factsheet

Basic Information

Nature of Business : Manufacturer / Exporter / Supplier / Retailer / Trader / Distributor / Importer / Service Provider

Contact Person : Mr. Satyajit Kulkarni

Registered Address : Office #14, 1st Floor, Ganesh Chambers, 17/3, Karve Road, Near Sonal Hall, Pune, Maharashtra

Total Number of Employees : Below 20

Year of Establishment : 2017

Legal Status of Firm : Individual (Sole proprietorship)

Intrinsic Safety

Pepperl Fuchs
Equivalent Intrinsically
Safe Isolation Zener
Barrier

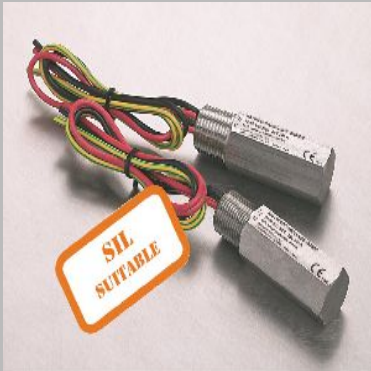

Hazardous area
intrinsically safe
signal
isolator

Ex Zone operator console

Surge Protection Devices

Surge protection device
for instrumentation

RS485 Communication
Surge Protection Device

Instrumentation Process
Transmitter SPD

24VDC Signal 4-20 mA
Protection Device
