## About Umiya Oil Mill

### Umiya Oil Mill

Being a master in the field, we are a proud manufacturer, supplier, and exporter of high-quality cattle feed supplement, maize oil cake, high protein animal feed, and cotton seed oil cake. Based in Sabarkantha, Gujarat, we have been serving our prestigious clients with complete dedication. We strive to meet the client expectations in every possible way and receive repeat orders from them due to our cost-effective pricing policies.

### Perfect quality

We believe that quality is the foundation for every business to survive. Thus, we don't compromise on the same. The product offered by us is made with the aid of optimal grade basic inputs and modern technology in order to bring about an authentic range. Moreover, our quality analysts keep a thorough check on each and every dispatch of flavorful spices to avoid the chances of adulterated products reaching the marketplace.

### Wide distribution network

We are highly competent to meet the requirements of our geographically scattered clients, as we are backed by a strong distribution network comprising a number of commercial trucks and other vehicles. Umiya Oil Mill is capable to meet the bulk market requirements effortlessly.

### Strengths of our offered range

Great nutritional value Perfect texture Optimal quality As per industry standards

So, get in touch with our adept sales and marketing team and place your orders. We put the best of our efforts to offer the best deals to our clients.
