

Unimac Control Systems is known as top Manufacturer, Exporter and Supplier of best Ball Valves, Butterfly Valves, Check Valves, Flanges and Full Bore Ball Valves.

CL-150 Y Type Strainer

CL-2500 Y Type Strainer

Bronze Globe Valve

CL-700 Y Type Strainer

Lubricated Plug Valve

Cryogenic Globe Valve

About Unimac Control Systems

Unimac Control Systems, based in Ahmedabad, Gujarat, is a leading manufacturer and supplier of a diverse range of industrial valves. As a key division of United Machinery Stores Pvt. Ltd., a pioneer in India since 1941, Unimac leverages a rich heritage in stockist, distribution, and importation of various industrial valves. Established in 2008, Unimac has quickly become known for producing high-quality valves at competitive prices, meeting international standards.

Our extensive product lineup includes Y Type Strainers available in CL-150, CL-2500, CL-700, and CL-600 models. We offer a variety of check valves such as swing, disc, water, and dual plate check valves. Our globe valve range includes bronze, cryogenic, DIN, and high-pressure types, while our gate valves feature wafer type, cast iron, stainless steel, and butt weld end designs.

Unimac also specializes in butterfly valves, including high-performance, gear-operated, lever-operated, and flange type versions. Our plug valves encompass three-way, butt weld, PTFE sleeved, and lubricated types. Additionally, our ball valve selection includes top entry, wafer, single piece, and three-way models.

We are committed to quality and adhere to stringent international standards such as API, ANSI, BS, IS, and DIN. Unimac offers the added advantage of customized valve manufacturing according to client specifications. Our dedication to market-leading prices, on-time delivery, continuous quality improvement, and extensive dealer network ensures exceptional value.

Under the leadership of Founder Mr. Samir Rawal, we maintain a strong focus on after-sales service and technical support, ensuring customer satisfaction and consistent performance across domestic and international markets.

Factsheet

Basic Information

Nature of Business	: Manufacturer / Exporter / Supplier
Contact Person	: Mr. Samir Rawal
Registered Address	: D-112, 1st Floor, Ghantakarna Mahavir Complex, Nr. New Cloth Market, Ahmedabad, Gujarat
Total Number of Employees	: 21 - 50
Year of Establishment	: 2008
Legal Status of Firm	: Individual (Sole proprietorship)

Y Type Strainers

CL-700 Y Type Strainer

CL-600 Y Type Strainer

CL-300 Y Type Strainer

CL-2500 Y Type Strainer

CL-150 Y Type Strainer

Cast Iron Y Type Strainer

Globe Valves

Swiveling Globe Valve

Industrial Globe Valve

High Pressure Globe Valve

Forged Steel Globe Valve

Flow Control Globe Valve

Duplex Steel Globe Valve

Butterfly Valves

Wafer Type Butterfly Valve

Stainless Steel Butterfly Valve

Lever Operated Butterfly Valve

Industrial Butterfly Valve

High Performance Butterfly Valve

Gear Operated Butterfly Valve

Plug Valves

Three Way Plug Valve

Self Lubricating Plug Valve

PTFE Sleeved Plug Valve

Lubricated Plug Valve

Industrial Plug Valve

Butt Weld Plug Valve

Full Bore Ball Valves

Screwed Full Bore Ball Valve

Robust Full Bore Ball Valve

Reduced Full Bore Ball Valve

Jacketed Full Bore Ball Valve

Flanged Full Bore Ball Valve

Compact Full Bore Ball Valve

Industrial Valves

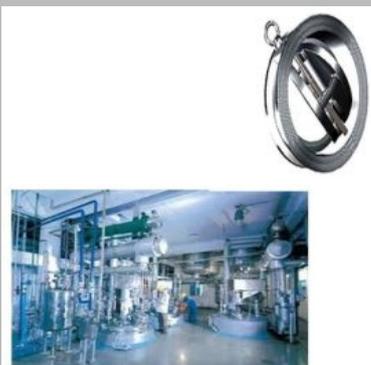

Two & Three Way
Control Valve

Raw Cast Iron Valve

Process Control Valve

Pharmaceutical Valve

Oil & Gas Valve

Lined Valve

Check Valves

Water Check Valve

Wafer Check Valve

Swing Check Valve

Non Slam Check Valve

Lift Check Valve

Industrial Check Valve

Flanges

Weldo Flange

Welding Neck Flange

Threaded Flange

Socket Weld Flange

Slip On Flange

Reducing Flange

Ball Valves

Wafer Ball Valve

Two Piece Ball Valve

Trunnion Mounted Ball Valve

Top Entry Ball Valve

Three Way Ball Valve

Three Piece Ball Valve

Gate Valves

Stainless Steel Gate Valve

Knife Edge Gate Valve

Industrial Gate Valve

Forged Steel Gate Valve

Cast Steel Gate Valve

Cast Iron Gate Valve
