About Usha Enterprises

Despite being relatively new to the market, the reputation of our company, Usha Enterprises has grown significantly because of our relentless efforts and never-give-up mindset. By exceeding the expectations of customers for high-quality products, we have gained their trust and confidence. Our wide range of products, which includes salt-glazed stoneware pipes, glazed stoneware tees, RCC gully grating covers, RCC Hume pipes, jute gaskets, manhole covers, paver blocks, concrete stones, stoneware gully traps, etc. is always guaranteed to be of optimum quality. We rely on only trusted and reputed vendors to source our product range and focus on delivering the required products to the desired destination of customers as fast as possible. In addition to this, we have always interacted with our customers in an ethical manner. We have a well-equipped huge warehousing facility with a smooth inventory management system that is handled by our professional team. The warehouse has been categorized into various sections to store the procured products as per their category. We ensure that all our products in our warehouse are handled properly without causing any damage to the products. Apart from that, we deliver our products in high-grade packaging material in order to ensure safe delivery. At Usha Enterprises, our motive is to attain our customers satisfaction by offering them the best quality products in the committed time frame. With the support of our trustworthy vendors and professional team, we are able to deliver our products to our valuable customers as per their requirements. We also take into consideration the valuable feedback of our customers in order to improve our quality. Under the administration of our Owner Mr. Rahul Shaw, we have been able to earn a reputed status for ourselves in this highly competitive market.
