About Vijgreen Solutions Private Limited

Vijgreen Solutions Private Limited was established in the year 2019 in Uttar Pradesh, India. We are a manufacturer and supplier of Non-woven plain bags, Non-woven printed bags, and a lot more.

Our company has gained reliability in the market by giving complete comfort to the customers by offering them reliable products. With honest dealings and reasonable industry practices, we have been victorious in achieving the clients' support that results in their regular orders.

Moreover, owing to our quality-oriented vision, cheap price structure, favourable payment modes and timely delivery program, we have acquired a broad base of customers across the domestic market.

We produce our products by the predefined manufacturing quality guidelines and modern trends of the market. Best-quality raw materials from esteemed vendors are employed to develop our products.

We make all our products considering the users' demands in terms of design, construction and cost-effectiveness. Each product is produced by reducing the waste elements and operational expenses. Our team of specialists carries out all the work processes efficiently which allows us to offer quality and economical products to the customers.

Our products are appreciated for their sturdy construction, minimal maintenance, smooth finish and high strength. Owing to all these intensities, we have become a favoured company in the domain obtaining the long list of named clients.

Mission and Vision

To be leaders in the manufacturing of the environmentfriendly non-woven bags and products, contributing to a healthy greenenvironment.

Vijgreen Solutions Private Limited

We are a well-established firm involved in manufacturing and supplying Non-Woven Bags. This immaculate collection is manufactured using high-quality materials and employing cutting-edge technology.
