About Yash Industries

Yash Industries

Established in the year 2015 in Beed, Maharashtra (India), we at Yash Industries are leading manufacturers and wholesalers of a qualitative assortment of LED lights. We have expertise in LED lights, LED Flood Light Down Choke, 200W LED Flood Light, LED Solar Light, LED Street Light, Lighting Poles, Aluminium High Mast Pole, Decorative Lighting Pole, GI Octagonal Pole, Street Light Pole, and Swaged Pole. The entire range of products made by us guarantees the best quality of the products.

Our Quality

Yash Industries is a quality-conscious organisation and aims to maintain high-end quality in its manufactured products. We maintain proper quality as per ISO standards. Our products are prepared with high-grade stuff and components that are sourced from the most trustworthy and authentic vendors in the industry. Duly experienced in well-defined parameters like compression, user interface, and strength, these products ensure world-class standards.

Infrastructure

Our business operations are supported by a state-of-the-art infrastructure that is spread out over a vast area of land. This ability is segregated into different departments, which helps us maintain a convenient environment in the organization. We are supplying the products all over Maharashtra.

We have marked strong footprints in the industry under the supervision of "Mr. Tandale Vikas Tulshiram (Founder)". We have years of experience in the manufacturing and supply of LED lights.
