About Zexxo Semiconductors Private Limited

Zexxo Semiconductors Private Limited, situated in the historical city of Agra, Uttar Pradesh, emerged onto the scene in 2022, driven by a commitment to innovation and quality in the field of lighting solutions. As a versatile player in the market, we proudly serve as a manufacturer, exporter, and supplier of a diverse range of cutting-edge LED products.

Under the visionary leadership of Mr. Durgesh Kushvah, the proprietor of Zexxo Semiconductors, our company has quickly become synonymous with excellence. With a keen focus on customer satisfaction and technological advancement, we specialize in crafting an array of high-quality LED products, including LED COB Lights, Wall Lights, Concealed Lights, LED Panel Lights, LED Down Lights, and the innovative Lance LED Flood Light.

Our LED solutions are designed to illuminate spaces with efficiency, sustainability, and aesthetics in mind. Zexxo Semiconductors is committed to staying at the forefront of the industry, incorporating the latest advancements in semiconductor technology to deliver lighting solutions that not only meet but exceed customer expectations.

As a manufacturer and exporter, we take pride in ensuring that our products adhere to the highest standards of quality and durability. Whether it's residential, commercial, or industrial lighting needs, Zexxo Semiconductors strives to provide tailored solutions that contribute to energy efficiency and environmental sustainability.

In the dynamic landscape of lighting technology, Zexxo Semiconductors Private Limited stands as a beacon of innovation, consistently illuminating the way forward. Choose us for cutting-edge LED products that not only light up spaces but also exemplify our unwavering commitment to excellence.
